The function of the Cell will include the following:
 - 2.3.1. The Cell will be constituted under the aegis of Finance Department but it will be functionally autonomous.

- 2.4. Concurrence will be accorded only after the Committee is fully satisfied about the merits of the proposal.

3. Submission of proposals by the Departments to Standing Finance Committee and Special Standing Finance Committee.

- 3.1. The proposals will be minutely scrutinized by the Administrative Department prior to submission to the concerned Committee.
- 3.2. The proposal will include all components of a project/ scheme including civil works, equipment, human resources etc. so that the scheme can be appraised by the Committee in a holistic manner. However, the Committee will consider concurrence of those components where initial one time capital expenditure is involved. In case, posts are intended to be created, a separate proposal may be processed only after the main proposal is recommended by the Committee.

For example, in case of establishment of a new Medical College Hospital, Health & Family Welfare Department will indicate the total cost on both civil/ electrical works as well as equipment, along with the number of posts to be created. However, Department will have to seek concurrence of the Committee only for the civil/ electrical works and equipment.

3.3 The senior most Secretary will certify that the project/ scheme is essential and that it has been examined and found to be feasible alongwith being administratively prudent and financially cost effective.

3.4 The senior most Secretary will also certify that all provisions of the Assam Public Procurement Act, 2017, the Assam Public Procurement Rules, 2020 and Assam Fiscal Responsibility and Budget Management (AFRBM) Act, 2005 will be strictly complied with during the implementation of the project/ scheme.

3.5 Each project proposal should indicate the targets given in Table-II below:

Table-II: Physical & Financial targets

	Year 1		Year 2 & so on		Physical Total	Financial Total
	Physical	Financial	Physical	Financial		
Components 1,2,3 & so on						

3.6 The outcomes of the proposal to be achieved should be indicated. These outcomes should be in the form of measurable indicators which can evaluate the proposal on quarterly/ half yearly/ annual basis.

3.7 Officer identified/ appointed for being directly in charge and responsible for the progress of the proposal, should be mentioned.

3.8 The checklist, in respect of a project/ scheme as stipulated for submission to the Committees from time to time will be signed by the Senior Most Secretary.

4. Social Sector Schemes

4.1 In case of Social Sector Schemes, the procedure for Administrative Approval will be the same as in the case of Capital Projects for the first two years of implementation of the scheme, subject to each year's budgetary allocation.

4.2 After successful implementation over the first two years, the subsequent concurrences/ approvals in respect of the scheme may be accorded by the Departmental Finance Committee/ Departmental Minister.

5. Limit of Administrative Approval based on budget provision

5.1 In case of projects/ schemes, other than that specified in para (5.3) & para (5.4), Administrative Departments will accord such approvals to amounts limited to double the budgetary allocation under the concerned Head of Account. This pool/ bank of Administrative Approvals should be separately maintained by the Administrative Departments.

5.2 In case there is additional budget allocation in the same financial year, the scope of granting Administrative Approval will increase by two times the additional fund allocation.

For example, if the budgetary allocation under a particular Head of Account is Rs. 100 crores, in case of projects/ schemes as in para (5.1), the Administrative Departments will limit issue Administrative Approvals up to Rs. 200 crores only. If additional allocation is made in that particular Head of Account through the Supplementary Demand route, the same principle would apply. For example, if Rs 20.00 crores is provided through Supplementary Demand, then the total Administrative Approval can go up to Rs 240.00 crores under that Head of Account in a financial year.

5.3 The principle under para (5.1) will not apply in case of projects/schemes under Centrally Sponsored Schemes, Rural Infrastructure Development Fund (RIDF), Central Sector Schemes, schemes North Eastern Council/Non-Lapsable Central Pool of Resources and Externally Aided Projects. In such cases, Administrative Approvals may be accorded equivalent to the amount sanctioned for a project/ scheme by the Government of India/ funding agency. The concurrence for Administrative Approvals in case of such projects/schemes will be accorded at the level of Departmental Finance Committee only, irrespective of cost of the project/ scheme. However, the approving authority will be as given in Table-I.

5.4. In case of special projects, where decisions have been taken about the project based on budgetary announcement or Cabinet decision or at the level of Hon'ble Chief Minister, the principle referred to in Para 5.1 above would not apply. In this case, Administrative Approvals may be accorded for the full amount of the cost of the project irrespective of the amount provided in the budget.

For example, in case of establishment of a new stadium as announced in the budget, Administrative Approval for the entire estimated amount may be given. The normal limit of 200% of the budgetary allocation will not apply in such cases. The concerned Department will maintain a separate pool of Administrative Approvals accorded in such cases, and such Administrative Approvals will not be counted in the pool of Administrative Approvals accorded under Para 5.1.

5.5. The total financial progress against the Administrative Approval already accorded will be taken into consideration while proposing/ issuing new Administrative Approvals in subsequent financial years. The remaining extent of financial progress will be treated as committed liability.

5.6. In case of Social Sector Schemes, Administrative Approvals will be accorded for total amount equal to or less than the budgetary allocation for the relevant financial year.

6. Communication of Administrative Approval – Orders conveying Administrative Approval accorded in pursuance of the provisions of this notification shall be generated on the online software solution (www.finassam.in) of Finance Department. Such an order shall be issued online on behalf of the Administrative Department by the Secretary/ Additional Secretary/ Joint Secretary/ Deputy Secretary/ Under Secretary of the Department or by any other officer as may be specifically empowered under rule 12 of the Assam Rules of Executive Business.

Provided that the copy of the communication conveying the Administrative Approval accorded shall be forwarded to the Finance Department and the Accountant General, Assam and Treasury Officer concerned by the Sr. Financial Advisor / Financial Advisor in the Administrative Department.

7. Once Administrative Approval for a project/scheme is accorded, the consequent Financial Sanctions will be issued by the Head of the Department (Director/ Chief Engineer etc.) under whose purview the concerned Head of Account lies. The Head of the Department will be fully responsible for compliance with all financial rules and norms, while issuing Financial Sanction and submitting proposal for FOC.
8. Proposal for Fixation of Ceiling (FOC) based on the Financial Sanction will be submitted directly by the Head of Department to Finance Department on the online portal, without routing it through the Administrative Department. However, the Administrative Department will be provided access to the online portal to view and monitor the Financial Sanctions accorded/ FOC proposals submitted.
9. Award of contracts/ allotment of works/ placement of supply orders will be done as per Assam Public Procurement Act, 2017 and Assam Public Procurement Rules, 2020, and the existing procedure for award of contracts/ allotment of works/ placement of supply orders.
10. In case of roads & bridges projects of Public Works Department, separate procedure has been laid down in Finance Department's Notification vide No.FEB.73/98/332 dated 20/07/2021.
11. The existing Government rules, Notifications, Office Memoranda etc. pertaining to the provisions of this notification stands superseded/ amended accordingly.
12. This notification will come into force with effect from 15th August 2021.

SUBJECT :- Timely publication of Government Notifications and other important matters in the weekly Official Gazette.

I am directed to say that it has come to the notice of Government that important notification having bearing on statutes and matters of immediate public interest are sometimes published in the Official Gazette on date much later than prescribed. Government have decided, therefore, to introduce the following system with immediate effect, which must be strictly adhered to in sending notice to the Assam Government Press for publication in the Official Gazette.

1. In the first instance, it has to be noted that the printing of the weekly Gazette must be completed by the end of every Tuesday so that it may be duly published on every Wednesday.

2. Every notification and every other matter which is required to be printed and published in a particular issue of the Official Gazette must, therefore, reach the Director, Assam Government Press on the Monday of the week preceding the week in which it is required to be published. If this is not done it is infructuous requesting the Director, Assam Government Press to publish such notification or other matter in the next issue of the Gazette, the expression usually inserted in all endorsements made to the Director.

3. Wherever it is necessary to print and publish a notification on a specified date (excluding such Notification or communicate as are to be published in Gazette extraordinary) clear instruction of that effect must be given to the Director, Assam Government Press, both on the body of such notification within the indication at the top in the red ink and is a separate covering.

4. To achieve the objective in papers 2 and 3, it is essential that proper discretion should be exercised by the concerned officers in the Department or office and all matters for publication in the Gazette should scrutinised and sent to the Press after careful application.

5. As for publication of any matters in a Gazette, Extraordinary, the existing procedure whereby the prior approval of the General Administration Department is to be obtained will continue.

I am to request you to acknowledge the receipt of this letter and confirmed that the instructions have been duly voted. If you have suggestion on this behalf they may please be communicated.
