(B) Interview Test:

The candidates will be interviewed by a board that will have before them a record of his/her career. He/She will be asked questions on matters of general interest. The objective of the interview is to assess the personal suitability of the candidate for a career in public service by a board of competent and unbiased observers. The test is intended to judge the mental caliber of a candidate. In broad terms this is really an assessment of not only his intellectual qualities but also social traits and his interest in current affairs. Some of the qualities to be judged are mental alertness, critical powers of assimilation, clear and logical exposition, balance of judgment, variety and depth of interest, ability for social cohesion and leadership, intellectual and moral integrity.

The technique of the interview is not that of a strict cross-examination but of a natural, though directed and purposive conversation which is intended to reveal the mental qualities of the candidate.

The interview test is not intended to be a test either of the specialized or general knowledge of the candidates which has been already tested through their written papers. Candidates are expected to have taken an intelligent interest not only in their special subjects of academic study but also in the events which are happening around them both within and outside their own State or Country as well as in modern currents of thought and in new discoveries which should rouse the curiosity of well educated youth.

The interview, however, will not have any qualifying marks. The marks scored at the interview will be added to the marks scored in the Written Examination (Main).

The Commission shall recommend exactly the same number of candidates for different posts as notified. The Commission shall not recommend a candidate for a post which he/she has not opted for.

Marks thus obtained by the candidates in the Main Examination (Written Part as well as Interview) would determine their final ranking. Candidates shall be allotted to the various services keeping in view of their ranks in the examination and (respective) preference expressed by them for different posts (i.e. on the basis of **Merit cum Preference** opted by the candidates in their applications for the Main Examination) and reservations therein.

8. e-ADMISSION CERTIFICATE (ADMIT CARD):

(a) e-Admission Certificate indicating the eligible candidate's Roll no., venue and programme of the Examination will be uploaded in the Commission's website.
